# *Foreword*

The school year, 1963-64, was a busy, active, and productive one for North Lima High School students. Classes, athletics, meetings, and social events all helped to round out a full, rich year. As we look back, we have tried to pick out some of the high points that stand out in our minds as important events in the history of North Lima High School; and with that in mind, we present to you the 1964 Echo.

# *Dedication*

When many times our futures looked dim because of indecision, we came to you. Through your understanding and guidance, you helped shape our lives. Because you were interested in us not as a group or a class, but as individuals, we are proud to dedicate our annual to you.

# LIFE OF A LIBRARIAN

## Librarian Continued

Just what does a student librarian do in a week in the library? Before we can fully appreciate the work these librarians do, there is one point one must realize. Each student librarian, whom we consider to be there just to help us, is giving up at least one study hall a day for

The grueling job of card filing comes next. Each book has up to five cards per copy. Each card must be filed separately in its proper place and the filing checked. The librarian gets a feeling of satisfaction and accomplishment when the students learn how to utilize and to appreciate their library facilities.

After the cards are filed and the book covers applied, the books go into circulation. This takes care of the new ones, but of course books are always in need of repair.

Because students sometimes remove books from the shelves and fail to replace them correctly, the librarian must constantly "read" the

# PAPER TRAVELS?

It has come to the attention of the Lima Lite Staff that some of you are sending your copies of the Lima Lite to friends away from here in other states, even in other lands. We think it may be interesting to learn just where and how far they go.

If you are sending our school newspaper to someone in another state or country, stop by the commercial room and tell Mrs. Mink. Later we shall report in the paper the results of our survey.

## "The Play of the Year"

Probably the outstanding play of the 1963 season was turned in during the opening seconds of the clash with Crestview High. The play was a standout in the estimation of Coach Rezek, because so many individuals carried out their assignments so well.

The play was a fullback sweep with Bob Sahli carrying. The lines met and Bob was hit momentarily in the backfield, but maneuvered free and from then on the execution of this play was letter perfect. Jim Perry, playing "lonesome end," slanted back to clear out the defensive end, and pulling guards cleared the corner for the runner. Sahli was actually "sprung" for the 85 yard trip to paydirt by a block thrown on a defensive back by flanker Jack Hayden. As Sahli broke into the open, quarterback Arnold Queen led him downfield and threw a final block at about the 30 yard line that was so much "frosting on the cake."

There were many exciting plays throughout the season but for dynamic punch and sharp execution, this was . . . "the play of the year."

# *"A Game With the Fighting Zippers"*

North Lima, Sept. 28—

In what proved to be one of the most thrilling games of the season, the Zips collided with the fast-moving Rebels of Crestview High. The game was witnessed by one of the largest crowds of the year because of the Homecoming ceremonies also slated for that afternoon.

The tempo of the game was set early. After the opening kickoff the Rebels put on a long march which was halted on the Zip's 17 yard line. Lima took over and on the third play from scrimmage, Bob Sahli romped 85 yards around his own left end for a 6-0 advantage. The remainder of the first half of the game was dominated by both defensive corps until midway in the second stanza, the Rebels put on a sustained drive which was capped by a 2 yard plunge for the score. The Rebels' attempt for a conversion was thwarted and the first half ended in a 6-6 stalemate.

After an impressive half-time ceremony featuring the crowning of Janice Armentrout and Tom McCarty as homecoming queen and king, the second half of the hard-fought contest began.

Shortly after the second half kickoff, the North Lima offense began to bog down and Hayden was called on to punt. The Rebels took advantage quickly and struck for a touchdown via the airlanes which covered 21 yards. The whole scoring march covered 53 yards.

The Zips fought back doggedly, but the lack of offensive punch was crippling and the Rebs knifed over on an off-tackle slant which ended a 33 yard march. The third period concluded with Crestview High holding a commanding two touchdown lead, 22-6.

Following a third period offensive exchange, the suddenly aroused Zippers began pounding at the surprised Rebels. In a surprise maneuver, Arnie Queen faded to pass and hit Jim Perry over the middle. Perry scampered 55 yards for a touchdown. The power play for the two-point conversion was unsuccessful and the Zips were still in an uphill struggle as the score remained 22-12 in favor of Crestview.

After the kickoff, the defense stiffened again and three minutes later the not-to-be-denied Zippers lashed back when Rick Plaskett sped 50 yards on an end sweep behind a wall of blockers. The two-point conversion was scored by Queen on a roll out, but the Zips fell just short. The remainder of the game became a fight against the clocks, but time finally ran out on the fighting Zippers, who displayed skill and great tenacity in a losing cause.

This game, played early in the season, eventually proved to be one of the outstanding efforts on the part of the squad members of the 1963 Fighting Zips.

The Zippers' marching band was led by a group of snappy drum majorettes headed by senior Linda Arkwright. Senior Jeanne Elser and juniors Elaine Rapp, Jeanne Fink, and Leona Wagner rounded out the quintet.

The girls, who sported new summer and winter uniforms, were featured in many new routines which thrilled the game spectators. They will be trying to earn money for majorette camp next year and will be in charge of the basketball concession for half of the home games.

# BEAVER ATHLETIC ASSOCIATION

The Beaver Athletic Association was organized in 1959 for the purpose of promoting any amateur program for the residents of Beaver Township. During its existence it has accomplished many things not only for the athletic program of the North Lima School, but other projects of benefit to the citizens of the township. Among its major projects were:

1. Slagmacing about 9,000 sq. ft. of the school parking lot.

2. Construction of the Sound Tower at the football field.

3. Contribution of over $1,000.00 in athletic equipment for the Senior and Junior High Football and Basketball Squads.

4. Purchase and installation of the $2,200.00 Electric Score Board for the football field.

5. Sponsoring Beaver Athletics, team in the Beaver Little League.

6. Conducting the annual series of Alumni games during the Christmas holidays.

7. Sponsoring the formation of the Beaver Golf League.

8. Donation of $325.00 towards the purchase of two-way radio for the Beaver Township Fire Department.

9. Furnishing scouting films for the football program.

Its plans for this year include (1) grading the area north of the present athletic field for a permanent Little League field and practice football field. (2) Beginning the construction of a running track around the varsity football field. It invites you, parents, patrons, business, industrial and professional people of Beaver Township to unite behind the Athletic Association in this project.

Rosana,

To a real nice gal who I had a lot of fun "pestering" at supper one night! Hope there's no hard feelings! (James was mad at me for doing it.) Always remember the pear pie at Grammy's and the fog on the way home. Courage kid, while Jim's away cause I hope yours and my favorite Brother's plans come true! God be in everything you do.

A pest (sometimes?)

Carol

Rosana,

To one of the cutest girl in the senior class. I am so glad I had the pleasure of meeting you. Remember Skipper Class and remember me. I think you have the ability to be one of the greatest girls in the world. I like you very much as you are. Stay the same. Don't forget me.

Love "65"

Gary

P.S. Good luck on all your subjects this year.

Rosana

I'm a real cute intelligent kind of guy. I'm in the senior class. I'm in the Junior class. I'm in the Summer school. I work in the Fall. I have fun.

Gary

Rosana,

Always be. Hope you make a real cute girl and have a real nice summer.

Jeona

Rosana,

To a real friend who is always ready to lend a helping hand. I know you really like Jim a lot so don't let anyone talk you into any ideas. Just stick to your ideas and you'll be O.K., I hope. Never forget all the fun the four of us had together, now there is only three, remember our little note, and the corn field, wonder what thoughs people thought. I'll never forget the night the three of you broke me in, our secret that we aren't supposed to tell anyone, it was fun. I hope we have a lot of fun together ex our last year at N.L., it better start getting better than it is right now, right "lucky". Wouldn't it just be wonderful if we could manage to be head P make-up and costumes for all they plays. Wow, what a riot after what happened last year I am afraid even to see old Bowser. Never tell anyone our little secrets and maybe they'll all come true, with both of us so beautiful how could we go wrong. Best of Luck

Janet

P.S. How is your singing coming along. You should beat the school every morning in a hymn.

Rosanne,

I'm glad we've been able to share a friendship which has allowed us to be friends to the degree the we could always bring our problems to each other and talk like intelligent people. (sob, sob) You are, I think, the sharpest looking girl in our class and maybe the whole high school. Good luck with everything

Love,
Ricki Parker
